| 7  | 52  |    | I liked the style and message of the song and the style. I would suggest rewriting the lyrics to avoid rhyming so much--maybe one rhyme for the whole song. The guitar part sounds like a song from R. E. M.'s Reckoning album, which is fine, but try to make a more authentic statement. A bridge that goes somewhere musically surprising should be considered. |

| 6  | 34  |    | I thought this was a fairly average sounding song, nothing really stood out to me. The guitar sounded okay. The vocals were not that great, the singer doesn't have a terrible voice but there isn't too much distinct about it. I thought the lyrics had a nice message, though nothing about the song was that interesting or catchy.                            |

| 8  | 39  |    | I thought the lyrics were well written and they felt very timely. The singer has a really sincere voice that made me feel the lyrics throughout the song. The guitar sounded strong and intricate. I thought the audio could be a little clearer, but there is nothing I disliked about this.  |

| 4  | 34  |    | I thought the vocals, to me, sounded like someone who is trying way to hard to sing in a unique way. It distracted me from the lyrics. The vocal tones sounded like they lacked range and were repetitive to my ears. I didn't mind the lyrics, and I thought the tempo was pretty good.   |

| 10 | 28  |  | I found this song to be very interesting and creative. Im unsure of what artist you sound like as I think you have your own sound. This is a good thing. Keep up the great work and thanks for the listen!   |

| 8  | 23  |  | I really like the lyrics of the song, they're very deep. You can tell the artist really took his time to find the right words. I didn't like the voice, I don't think it matches the instrumentals.  |

| 4  | 33  |  | This is very sad but it is poetic and I can appreciate that. It just isn't something I would listen to regularly. It makes me feel depressed. But I support the artist for expressing himself.   |

| 7  | 49  |  | I really like the unique sound he brings. A really nice easy listening song, His vocals are a little strained but sound rich and the guitar is incredible. The sound quality is good.  |

| 7  | 29  |  | I like the beat and instrumental of the song. Also, with the lyrics, they really made me think. The artist could probably use this song to bring about a change in the world.  |

Good tune. I really liked the instrumentals. I would remix the vocals a bit it did not seem full on my system. I will be looking for more of your music on the internet.

I liked the lyrics and the idea of the song the best. But I felt like it was a little thin and I didn't immediately enjoy the singer's voice, it is warbly and thin.

I really like the lyrics to this song. Very poignant and timely. I really don't like the singer's voice. I think if another singer recorded this, it would be a hit.

The intro with the guitar really set the tone like and the vocals, lyrics, instrumentals were strong. Overall the song structure was amazing and enjoyed it.

The vocals are on the weak side. At times it seems as though the singer's voice is on the verge of cracking, and there is an unpleasant whining tone to it.

The song overall had a very powerful message of the thoughts of an immigrant and that stuck out more so than anything instrumentally upon first listen.

My first thought was this would be a fun artist to see live and as he seems very talented. The lyrics were topical and the instrumentation was solid.

This song is a great song and it's very emotional but the artist is a great singer as well. There is nothing to dislike about this song at all.

I wish this song changed more as it's a pretty static acoustic guitar song. I don't like the lyrics either, and this song just isn't for me.

The music was quite nice. I liked the guitar playing. The male singer was pretty good except when he tried to hit the high notes.
